❖ Read the paragraph carefully and answer the following questions :

The smile is the best tonic for our mind and body. It takes thirteen muscles to smile, but forty-three to be angry. So, it is easier to smile and difficult to be angry. To be cheerful, we have to create positive thoughts. On the other hand, if we constantly think about negative things, we feel unhappy. So, the best way to avoid a negative idea is to replace it with a positive one. When we are relaxed in bed, we should practise putting some cheerful thoughts.
